

**New Amesbury Elementary School Project
193 Lions Mouth Road, Amesbury, MA 01913**

**RELOCATION SERVICES
INVITATION FOR BID (IFB)
Addendum No. 1**

Date Issued: May 8, 2023

The attention of bidders submitting bids for the above referenced project is called to the following addendum to the IFB. The items set forth herein, whether of omission, addition, substitution, or clarifications are all to be included in and form a part of the bid submitted.

A. BIDDERS' QUESTIONS

1. **Question:** Please clarify the requirements for the quantity and type of trash and recycle bins to be provided by Contractor.

Response: Contractor shall supply 65 gallon trash and recycle bins with wheels, meeting the minimum specifications of Rubbermaid Brute Model 9W21 (Product Cut Sheet Attached). The bins shall be delivered to their respective locations at each of the three existing buildings on June 14, 2023 and may be retrieved by Contractor on June 27, 2023. Quantities are as follows:

- Existing Amesbury Elementary School: 8 Bins
- Existing Cashman Elementary School: 8 Bins
- Existing Middle School: 4 Bins

2. **Question:** Please clarify who will be responsible for emptying the trash bins into the dumpsters.

Response: Amesbury Public Schools Maintenance Staff will empty the trash bins into the dumpsters as they are filled during the packing period.

3. **Question:** Please clarify if Contractor should provide crates or boxes.

Response: It is up to the discretion of each bidder in consideration of its preference for handling and the timing for unpacking, which will not be complete until September 1st. The Contractor will be responsible for retrieving the crates and/or boxes at that time. If boxes are supplied, they should be of equivalent capacity to moving crates. Please indicate whether your bid contemplates boxes and/or crates and confirm size in the space indicates on the bid form.

B. ATTACHMENTS

1. Rubbermaid Brute Model 9W21 Cut Sheet
2. Pre-Bid Conference Sign-in Sheet

Waste > BRUTE® Utility

9W21 BRUTE® Rollout Container

Easy mobility for general refuse collection and material handling.

- Heavy-duty, one-piece handle provides large, strong grip area.
- Ground-hugging base is designed for stability even in high winds and on uneven surfaces.
- Molded-in, reinforced lift points help distribute loads evenly.
- Inset wheel position helps prevent damage to walls and doorways.
- Molded-in foot tilter helps maneuver heavy loads.
- One piece body construction provides superior strength and durability.
